9. Unplug after use.

Preset Menu Guide

- Meat – Meat Mincing
- Rhizomes – Ginger, Turmeric, etc.
- Vegetables – Vegetable Chopping
- Peeler – Garlic Peeling
- Egg – Egg Whisking
- Pulse – Initial Processing & Large Loads

Auto Cool-Cycle Technology

The motor automatically operates in a cycle of 3 seconds running and 2 seconds pause, helping reduce overheating and supporting long-term motor performance.

Cleaning & Maintenance

- Unplug before cleaning.
- Wash bowl and attachments with mild detergent.
- Dry all parts thoroughly.
- Wipe motor housing with a damp cloth only.
- Do not immerse the motor unit in water.

Troubleshooting

- Appliance not starting – Check power connection.
- Uneven chopping – Reduce ingredient quantity.
- Excessive vibration – Ensure blade is properly installed.
- Reduced performance – Clean blade and bowl thoroughly.

Warranty Information

1 Year Limited Warranty against manufacturing defects. Warranty does not cover misuse, accidental damage, or unauthorized repairs. Retain purchase invoice for warranty claims.
